# SOCIAL DISCOVERY

POWERED BY ACCURATE INTELLIGENCE

THE ONLY SOCIAL MEDIA REPORTING SOLUTION THAT DELIVERS ACCURATE INTELLIGENCE

Accurate and actionable social media reports to help you mitigate risks and detect fraud faster.

Using smart search technology in combination with human intelligence, Social Discovery combs through hundreds of publicly available data sources, including the internet, social media platforms, images, and videos to collect, curate and verify information about your subject-of-interest.

WHY CHOOSE SOCIAL DISCOVERY?

No false positives!
Our process includes three layers of quality control by human experts, which guarantees accurate social media reports with no false positives - every time.

Third-party protection!
Social Discovery bears the liability for all data captured in the reports.

Customer Onboarding
Our carefully developed onboarding process ensures we are a true partner to your business and will deliver exactly what you need.

On-demand customer service
that clients love!

100% compliant!
All data is captured in a legal and ethical manner.

Fully customized reports
based on your case requirements.
